## 🎓 Education

### Riga Technical University

ERASMUS EXCHANGE STUDENT

Riga, Latvia

January 2023 - July 2023

**Main subjects:** testing and software validation

### University of Bergamo

MASTER DEGREE IN DATA SCIENCE AND DATA ENGINEERING

Dalmine, Italy

August 2022 - now

**Main subjects:** AI, machine learning, advanced programming

### University of Bergamo

B.S. IN COMPUTER SCIENCE AND ENGINEERING

Dalmine, Italy

October 2019 - July 2022

Bachelor degree IT engineering. University of Bergamo (october 2019- july 2022, 2 years and 10 months). Grade: 103/110. I've been able to focus on my studies and graduate in a very short time. This dedication has awarded me a scholarship for scholastic merit. **Thesis title:** "Time-series forecasting and explainability with LSTM recurrent neural networks: Modeling air quality across Lombardy".

**Main subjects:** mathematical analysis, linear algebra, object-oriented programming, technologies cloud and mobile, databases

## 🔧 Projects

All my projects are available at the following Github account: <https://github.com/VinciGit00>.

### Scrapegraph-ai 📄

FREE SCRAPING LIBRARY BASED ON AI

Open source python scraping library based on LangChain and Openai apis. This tool allows to automatically scrape full webpages in seconds instead of many minutes and manually. This repo has 3 forks and more than 75 stars and more than 2000 downloads. Link of the documentation: (📄). Link of the demo: (📄)

## Studio YOLO

OPEN SOURCE JAVASCRIPT ORGANIZATION FOR IMAGE PROCESSING

This project has the goal to create open source libraries for elaborations of image. Stay tuned for more! 

## NBAStats

WEB APP FOR VISUALIZE NBA PLAYERS PERSONAL STATS

Python open source web App created with streamlit library for visualizing every personal informations of players currently playing in the NBA.

## Honors & Awards

---

### SCHOLARSHIP

2023 **NOI Hackathon Techpark**, Winner of the hackathon 

*Bolzano, Italy*

2022 **Scholarship for Scholastic Merit**, University of Bergamo

*Dalmine, Italy*

## Extra certifications

---

**Coursera** Machine learning specialization by Deeplearning.ai 

**Coursera** IBM data science specialization 

**Coursera** Google data analytics specialization 

**Coursera** Introduction to Tensorflow for artificial Intelligence, Machine Learning and Deep Learning 

## Hobbies

---

**Sport** I love doing sport. My main activities are: running marathons, weight lifting, bicycle and basketball.

**Acting** I've been an extra in some movies.

**Books** One my favourite hobbies. Mainly I read books on lifestyle and personal growth
